Lifeline is a federal benefit that makes monthly telephone or broadband internet service more affordable for eligible households. Eligible households may apply the monthly Lifeline discount to either broadband internet service (home or wireless) or phone service (home or wireless) but not both. Your household may not receive the Lifeline benefit from more than one company. For the purpose of Lifeline, a household is an individual or any group of individuals who live together at the same address and share income and expenses. You may not transfer your Lifeline discount to another person, even if he or she is eligible. You may lose your Lifeline benefit and may be prosecuted by the United States government if you violate the one-per-household rule or otherwise make false statements to receive Lifeline.

## Lifeline Household Worksheet

Lifeline Program support is a federal benefit that provides a monthly discount on phone service (home or wireless) or broadband internet service (home or wireless) but not both. **Only one Lifeline Program-supported service per household** is allowed under Federal law. Answer the questions on the following page to determine if there is more than one household living at your address, and if your household already receives a Lifeline Program benefit.

**Providing false information on this form may result in losing your Lifeline Program-supported service and possible criminal penalties.**

Your household is everyone who lives together at your address and contributes to, or shares in, the income and expenses of the household. Household expenses include food, health care expenses, and the cost of renting or paying a mortgage on your place of residence and utilities. Income includes salary, public assistance benefits, social security payments, pensions, unemployment compensation, veteran's benefits, inheritances, alimony, child support payments, worker's compensation benefits, gifts, and lottery winnings.

Members of a household are not permitted to receive more than one Lifeline Program-supported service. You are receiving a copy of this form because records indicate that more than one person at this address is receiving a Lifeline Program benefit. Each person at this address who receives a Lifeline Program benefit and has not yet completed and returned a household worksheet will receive a copy of this form, pre-populated with his/her name, address and telephone number.

If you DO NOT share income and expenses with the other adult(s) living at this address who receive Lifeline Program benefits, or there are no other adult(s) living at this address receiving Lifeline Program benefits, you **MUST STILL** sign this form to continue to receive your Lifeline Program benefit. If you fail to do so, you will be de-enrolled from your Lifeline Program benefit.

If you live with another adult(s) who shares income and expenses with you and who has a Lifeline Program benefit on his or her phone service, your household is receiving more than one Lifeline Program benefit. If so, you **MUST** take the following steps: (1) consult with the other adult(s) in your household currently receiving a Lifeline Program benefit and decide who will keep the Lifeline Program benefit for the household; and (2) the person who will keep the Lifeline Program benefit, AND ONLY THAT PERSON will fill out the form IN FULL and return it to his or her telephone service provider within 30 of days of the date of this communication. The telephone number listed on this form will be the number which will retain the Lifeline Program benefit.

**If the PERSON IN YOUR HOUSEHOLD WHO WISHES TO KEEP THE LIFELINE PROGRAM BENEFIT FOR THE ENTIRE HOUSEHOLD HAS ALREADY PROVIDED a household worksheet to their service provider, then NO FURTHER ACTION IS NECESSARY. (The person named below does not need to sign and send this form to their Lifeline provider).**

**After 30 days of the date of this letter, all other subscribers at this address below who have not completed a household worksheet will NO LONGER have a Lifeline Program benefit.**
